

OnSpeed available in 135 WH Smith stores

LONDON, UK – June 23rd 2005 – Z Group Plc an established, profitable, marketing led technology services company, announces that through an agreement between Koch Media Ltd, Z Group's UK retail distribution agent and WH Smith, the OnSpeed internet acceleration software service will be available and delivered to WH Smith who are committing to distribute the retail pack to 135 stores across the United Kingdom from 2nd July 2005.

To date the agreement with Koch Media Ltd was for an order to supply WH Smith with nominal trial amounts. Z Group is now pleased with the commitment that WH Smith will include OnSpeed as part of a national roll out in these 135 tier 1 stores.

Jamie True & Jack Bekhor, co founders and Joint Chief Executives commented:

"We believe that OnSpeed lends itself to the retail marketplace as a low cost, trouble free way of upgrading internet connection speeds."

"WH Smith is one of many large retail groups that we are negotiating with. We are hoping to announce other retail agreements soon."

About OnSpeed

OnSpeed is a privately owned technology company that delivers on the need to increase the speed of Internet access by offering a unique compression service. Using a 9 patented compression technology, OnSpeed is the fastest internet acceleration software on the market and instantly enables any PC or Mac user to browse and use email at near broadband speeds. The company's customers are primarily end consumers and top-tier ISPs, including BT, the UK's largest Telco with over 20 million fixed lines, DSL and dial-up.
